

RS Design Front Grille

The face of sporty style starts with the Jazz RS Front Grille, now with a more solid, imposing look.

RS Design Front Bumper with Carbon Accent

Sculpted with carbon accents to match, this redesigned front bumper gives the car a more aggresive appearance.

Side Sill Garnish

Simple yet sleek, it accentuates the vehicle. making it look more low-slung and dynamic.

Rear Bumper

Jazz RS looks good from front to rear. The bumper is designed for that aerodynamic groove and feel.

RS Design Tailgate Spoiler

This Jazz RS is well designed to the last detail. Its spoiler blends well with the whole design giving a finish unlike any hatchback.

Gloss Black Door Mirrors with Integrated Side Turn Signal Lights

Distinguishes the car apart from the ordinary and caps off the overall sporty vibe of Jazz RS

LED Headlights and LED Daytime **Running Lights**

Giving you the focus on the road are the LED Daytime Running Lamps. Illumination technology designed ahead of its class.

16" Gloss Black Alloy Wheels

Be captivated by the 16" alloy wheels in gloss black paint.

Exclusive R5 Emblem

Impress everyone on the road with the true mark of sporty style.

JAZZ

THE ICON OF LIFESTYLE FLEXIBILITY

Taking form from the previous model, the Jazz has some visual cues that lets you know it has evolved to match your lifestyle.

LED Daytime Running Lights (DRL)**

LED DRLs gives the dazz VX a distinctive appearance and improved visibility on the road.

Door Mirror Integrated Side Turn Signal Lamps*

Lets other motorists know where you are headed at every turn.

16" Black & Silver Alloy Wheels*

Effortless style in motion.

LED High Mount Stop Lamp
Enhances safety and acts as an additional stopping precaution.

LED Tail Lamps
Eye-catching and ensures safety.

ALL AROUND CONVENIENCE

Access the set of convenience features that enables you to take command of your drive.

RS Leather-wrapped Steering Wheel with Orange Stitching*Take hold of the ergonomically-designed steering wheel and feel the sporty vibe.

Orange Stitching*

Crafted for the ease of grip and movement.

Cruise Control**

Cruise control sets the speed and keeps the pace without having to press on the accelerator pedal.

Push Start System**

A classier button with chrome surrounding material and red illumination. It allows you to start and switch off your car's engine with ease.

Touch Panel Automatic Airconditioning System**

Create a cool cabin with nifty touch controls.

Steering Wheel Audio Controls*** and Hands-Free Telephone (HFT) Controls**

Stay safe and connected while on the go, with controls that put everything you need within easy reach.

VERSATILITY IN STYLE & DESIGN

Jazz has the unique ability to fold here and there in order to fit the things you need to move around.

Utility Mode

Enjoy generous cargo space with the 2nd row stowed.

Long Mode

Fold down the 2nd seat back and recline the fron to haul even a surfboard!

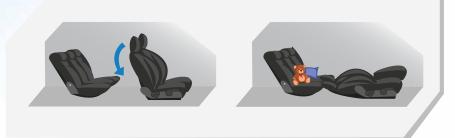

With a simple fold-up of a rear seat, you can load tall cargo.

Refresh Mode

Simply detach the headrest, recline the seat back, and you've got an instant mobile lounge!

STYLED FOR POWER & EFFICIENCY

EURO 4

The Euro-4 compliant 1.5-Liter i-VTEC Engine provides you the power you need to do the things that matter to you, and go to places you love.

Paddle Shifters**
Shift through gears with a click, for spirited driving.

ECON Button***

Make your drive even more efficient with the ECON Button, that activates ECON Mode: managing throttle output, transmission and even air-conditioning for better fuel economy.

ECO-Coaching Ambient Meter***Know right away when you are cruising

Know right away when you are cruis along efficiently, with a feature that informs you how you drive.

1.5 Liter i-VTEC Engine

Mated to the Earth Dreams Technology Continuously Variable Transmission (CVT), this potent engine provides ample power and notable fuel efficiency.

SAFETY IS A FIRST

For your peace of mind, Jazz takes occupant safety seriously. Travelling has never been this secure, be it a short urban jaunt or a long highway drive.

Driver and Front Passenger Airbags

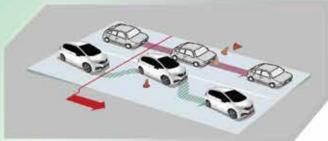

Side and Side Curtain Airbags*

Be assured of a complete set of safety restraint systems for you and your passengers.

Hill Start Assist (HSA)**

Gives you added confidence on inclined roads, as you have more time switching your foot from the brake to the accelerator pedal.

Anti-Lock Brake System (ABS) with Electronic Brake Force Distribution (EBD)

Stay in control even in emergency situations. The Jazz's ABS with EBD prevents your car from skidding even when you brake hard, giving you room to maneuver out of harm's way.

Vehicle Stability Assist (VSA)**

Vehicle Stability Assist [VSA] keeps the car in control during cornering and turns. It assists you in maintaining grip while accelerating on slippery surfaces by regulating power output and selectively applying brake pressure when necessary.

Multi-View Reverse Camera with Guidelines**

Provides visual aid to allow you to park properly and safely.
