

SUBARU

SERIOUSLY FUN

THE NEW

XV

GET MOVING

THE NEW XV GET MOVING

EVERY DRIVE IS FUN WHEN YOU FEEL CONFIDENT AND SAFE.

Featuring a combination of stylish urban design and rugged good looks, and new levels of capability to get excited about, the Subaru XV is the inspiration to live the life you want. Whether it's a night out on the town or a spur-of-the-moment weekend getaway, the Subaru XV helps you do all the things you love, in style and in comfort. Every day can and should be, a joyful adventure.

SUBARU CORE TECHNOLOGIES

Symmetrical All-Wheel Drive

Designed to distribute power to all wheels for better steering response. It offers surefooted stability even at high speeds or in bad weather, plus balance and traction on wet roads too.

Subaru Boxer Engine

The engine's flat design is inherently rigid and self-balancing, generating less vibration and better side-to-side stability.

Subaru Global Platform

Taking superior driving capabilities to a new level, the Subaru Global Platform delivers improved maneuverability, and reduced vibration and noise, plus the confidence to navigate all roads.

Pre-Collision Braking & Throttle Management

Warns you with a buzzer and a flashing indicator on the dash. It brakes to reduce impact and possible collisions. Pre-Collision Throttle Management helps avoid frontal collisions.

Lane Departure and Sway Warning

Helps you stay alert with a buzzer and a flashing indicator. When you drift to the edge of your lane, it warns you before leaving the lane.

EyeSight Driver Assist Technology

The Subaru EyeSight is our award-winning driver assist technology that gives you an extra pair of eyes on the road.

*EyeSight is a driving support system which may not operate optimally under all driving conditions.

Adaptive Cruise Control & Lead Vehicle Start Alert

Adjusts your speed automatically to keep a set distance from the lead vehicle. Lead Vehicle Start Alert prompts you when traffic starts moving again.

ENHANCED FEATURES

01 LED Headlamps with Auto-leveliser

These auto-leveling bifunctional LED headlamps combine low and high beams and are steering-responsive, ensuring good visibility around turns at night.

02 18-inch Aluminum-alloy Wheels

You'll immediately tell the Subaru XV apart from any other vehicle by its fun wheel design. These durable and lightweight wheels show the Subaru XV's powerful, lively, and unique personality.

03 Supervision Around Recognition Three-sixty System

Makes maneuvering and parking in tight spaces easier with the four cameras, strategically positioned for a clearer view.

04 Apple CarPlay^{™1} and Android Auto^{™2}

Use today's most popular apps with Apple CarPlay^{™1} and Android Auto^{™2}. Voice recognition capabilities allow hands-free use, keeping everybody safe while reducing distractions when you're on the road.

05 SI-DRIVE

Based on your driving style, Subaru Intelligent Drive (SI-DRIVE) can adjust engine response to give you immediate power and agility when you crave it in nearly any scenario.

06 Dual-function X-MODE

Enjoy the Subaru XV's true driving potential with the newly evolved Dual function X-MODE which utilizes the high torque and quick response of the engine for improved ability to get out if stuck, further improving driving confidence, especially on uneven surfaces or challenging inclines.

XV 2.0i-S EyeSight Specifications

Dimension & Weight	
Length / Width / Height (mm)	4,485 / 1,800 / 1,615
Wheelbase (mm)	2,665
Tyre Size	225 / 55 R18
Kerb Weight (Kg)	1,473
Ground Clearance (mm)	220
Engine	
Type	Direct Fuel Injection, Horizontally Opposed, 4-Cylinder, DOHC 16-Valve, Petrol Engine
Displacement (cc)	1,995
Power (PS / rpm)	156 / 6,000
Torque (Nm / rpm)	196 / 4,000
Fuel Tank Capacity (L)	63
Chassis & Suspension	
Transmission Type	Lineartronic CVT
Brakes (Front / Rear)	Ventilated Disc Brakes / Ventilated Disc Brakes
Suspension (Front / Rear)	MacPherson Struts / Double Wishbone
Exterior	
Headlamp Washers	Power-sliding, Tilt-adjustable Glass Sunroof
LED Daytime Running Lights	Rear Fog Lamp
LED Front Fog Lamps	Roof Rails
LED Headlamps with Auto Leveliser	Roof Spoiler
Power-folding Door Mirrors with LED Turn Signal	Shark Fin Antenna
Safety	
4-Sensor / 4-Channel ABS with Electronic Brake-Force Distribution	Safety Pedal System
Active Torque Vectoring	Side Door Reinforcement Beams
Brake Assist	SRS Front, Side and Curtain Airbags
Brake Override	SRS Knee Airbag
Engine Immobiliser	Vehicle Dynamics Control System (VDC)
ISO-FIX Adapted Child Seat Anchors	
Functionality & Convenience	
8-way Power-adjustable Driver's Seat with Memory Function	Keyless Access and Push-Button Start System
60/40 Split-folding Rear Seats	Lane Change Assist
Aluminum Pedals	Multifunction Steering Wheel with Cruise Control
Apple CarPlay / Android Auto Infotainment System	One-touch Turn Signal
Audio System with 8.0-inch Display	Paddle Shifters
Auto Dimming Rear View Mirror	PIN Code Access
Auto Headlamps	Rear Cross Traffic Alert
Auto Vehicle Hold	Rear Seat Armrest
Automatic Rain-sensing Windshield Wipers	Rear View Camera
Blind Spot Detection	Retractable Cargo Cover
Bluetooth-compatible Hands-free System	Reverse Auto-tilt Door Mirrors
Dual-function X-MODE	Reverse Automatic Braking
Dual-zone Automatic Air-conditioning System	SI-DRIVE (SUBARU Intelligent Drive)
Electronic Parking Brake	Steering Responsive Headlights
EyeSight Driver Assist Technology	Superview Around Recognition Three-sixty System
High Beam Assist	Tilt-Adjustable / Telescopic Steering Wheel
High Grade Multifunction Display	USB Ports
