CHEVROLET TRACKER:

IT'S GO TIME, ANYTIME

The All-New Chevrolet Tracker is made for those who want more in their daily drives. This stylish crossover SUV offers smart-to-drive features, eco-friendly tech, and a new generation lightweight engine for high performance, fuel efficiency, and cleaner emissions.

TOP 10 THINGS TO LOVE ABOUT THE CHEVROLET TRACKER

PERFORMANCE THAT SPEAKS FOR ITSELF

Experience powerful drives with the lightweight, high-performance, new generation 1.0L 3-Cylinder ECOTEC TURBO Engine with Active Thermal Management System that delivers 116 horsepower and 175 Nm of torque.

SMOOTH OPERATOR

Enjoy smooth rides anywhere, anytime with the new generation lightweight 6-speed Automatic Transmission with Manual Mode Capability.

DRIVE THE EXTRA MILE

Adapt easily to whatever the road demands with the Stop/Start System that manages the engine according to traffic conditions for reduced fuel consumption and exhaust emissions.

SYNCED TO YOUR LIFESTYLE

Stay plugged in wherever you go with the latest Chevrolet MyLink Infotainment System with Apple CarPlay® and connectivity functions in an intuitive, floating 8-inch colored touchscreen.

RIDE REFRESHED

Get a breath of fresh air in your drives with the Electric Sliding Panoramic Sunroof that helps dissipate heat from the vehicle and brings a beautiful view of the sky while you're staying cozy inside your vehicle.

PRECISION ON ANY PATH

Take control behind the wheel with the Leather-wrapped, flat-bottom steering wheel with Audio Controls and Bosch Electric Power Steering that lets you readily maneuver the vehicle and access volume controls easily.

DYNAMIC IN EVERY DETAIL

Feel like the new track star with a cabin inspired by Chevrolet's legacy of stylish and sporty vehicles. The Tracker's modern interior features the trademark Dual Cockpit design, an ergonomic Dual-Barrel Sports Instrument Cluster, and Leather Sports-Style Seats with red accents that provide utmost comfort on the road.

A THING OF EASE

Say hello to convenience with the Passive Entry System and Push Start Button Ignition that lets you enter your vehicle and start/stop the engine with just a simple touch.

SAFETY IN A STYLISH PACKAGE SILENCE THAT SPEAKS VOLUMES

Drive in confidence knowing you're protected by active and passive safety technologies like the SRS Airbags, ABS, ESC, EBD, ISOFIX Child Safety System, Engine Immobilizer, Alarm System, and more.

Make every ride more pleasant with Chevrolet's Enhanced LNVH (Low Noise, Vibration, and Harshness) Technology made possible with new lightweight and acoustic insulation materials that absorb indoor and outdoor sounds for more quiet drives.

ENGINE

Bring more power to your everyday drives with the lightweight yet fuel-efficient engine of the All-New Chevrolet Tracker. Backed by smart features and advanced technology, you're sure to get optimal rides wherever you go.

1. MORE POWER TO YOUR DRIVE

Ignite your sense of adventure with its 1.0L 3-Cylinder ECOTEC TURBO Engine with Active Thermal Management System that drives 116 hp and 175 Nm of torque.

2. PUMPED FOR EVERYDAY EFFICIENCY

Optimize your engine's energy with the Active Thermal Management System's components that reduce heat and friction, enhancing your performance on the road.

Mechanical Water Pump with Electronic Flow Valve

Enjoy engine cooling on-demand through multiple sensors and a control valve that has a three-way water inlet to maintain optimum temperature.

Variable Displacement Oil Pump

Experience intelligent cooling and lubrication system through its multiple temperature sensors and automatic adjustments for oil delivery.

Water-Cooled Exhaust Gas Recirculation

Absorb more heat, improve your fuel economy, and enhance your throttle response. It's an all-in-one smart system that reduces nitrogen oxide in the combustion chamber.

Water-Cooled Turbo Intercooler

Get more from your engine with its Electronic Wastegate, Electric Water Pump, and Electronic Bypass Valves that improve heat transfer efficiency and mechanical durability.

3. BUILT FOR THE LONG HAUL

Save more fuel and reduce exhaust emissions with its Engine Stop/Start System. Its Power Voltage Stabilizer, Heavy Duty Start Motor, and Intelligent Battery Sensor ensure that your battery will last longer and keep your power supply ready.

4. NATURE'S CHOICE

Go on more eco-friendly adventures with this smart-to-drive SUV that has a Euro VI emission rating.

EXTERIOR DESIGN

Be the center of attention on any road with the stylish exterior of the All-New Chevrolet Tracker. Each sporty detail is designed to make you stand out and turn heads wherever you go.

Ride safely and confidently in any weather with powerful Automatic Projector Headlamps and increase your road presence with the LED Daytime Running Lights.

2. STYLE THAT RUNS IN THE FAMILY

Stand out from the rest with the chiseled yet lightweight U-Shaped Sculpted Hood that's reminiscent of Chevrolet's trademark lean muscularity.

3. RUNWAY READY

Turn heads on every road with a sporty double grille enhanced by a distinct horizontal red trim, a black bowtie emblem, and black heated side mirrors with a bright L-shaped red trim.

4. CONFIDENCE IN MOTION

Be the center of attention wherever you go with 17-Inch Black Alloy rims featuring eye-catching red accents.

SAFETY FEATURES

Roam with confidence anywhere you go. Equipped with numerous active and passive safety features, the All-New Chevrolet Tracker is designed to keep you and your passengers safe at all times.
