

 **GAC MOTOR**

GS3

C-NCAP Five Star Safety

No. 1

From 2013 to 2019, GAC MOTOR ranked No. 1
of Chinese brand for 6 consecutive years.

DRIVE TO GREATNESS IN AN AESTHETIC MANNER

Flying Dynamics integrated Chromed Grille

The powerful and futuristic grille showcases GS3's youthful energy.

Floating Roof Design

A unique design with chromed trim, roof rack, and hidden D-pillar.

Power Sunroof

With an anti-pinch feature, the power sunroof gives you an unobstructed view of the sky.

18-inch Sculpted Aluminum Alloy Sports Wheel Hub

Sharp design, dynamic movement.

Eagle-Eye Lens Headlights

Feel the power at a glance together with LED daytime running lights.

Horizontal dual 8-shaped taillights

The ignited LED taillight shows a "∞" infinity symbol, making its distinctive design all the more artful and futuristic.

SMOOTH AND SAFE DRIVING EXPERIENCE

GAC second generation 200T engine

Featuring advanced technologies including Gasoline Combustion Control System (GCCS), low-inertia electric E-Turbo and Dual Continuously Variable Valve Timing (DCVVT), the 2nd-Gen 200T engine delivers large torque, low fuel consumption, and low-noise power experience. Expect smooth and robust performance at low rpm with swift acceleration. GAC 2nd-Gen 150N engine is also provided as an additional option.

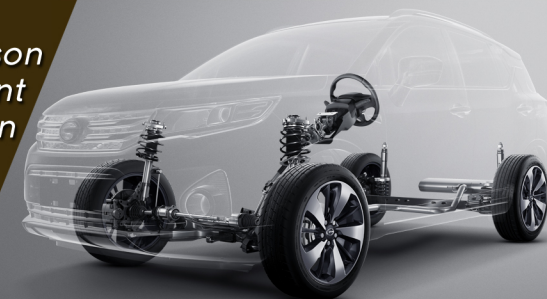

The all new AISIN 6-speed automatic transmission

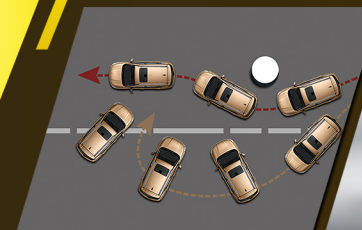

The 3rd-Gen Aisin 6-speed automatic/manual transmission ensures a balance between power efficiency and fuel consumption, delivering smooth and comfortable gear shifting experience.

McPherson Independent Front Suspension and Twisting Beam Rear Suspension

A perfect balance between road condition feedback and driving comfort. Easy handling helps you to drive freely.

Bosch Electronic Stability Program (ESP)

Bosch Electronic Stability Program (ESP) rectifies over-steering and under-steering with up to 6,000 times/min of driving condition inspection.

Direct Tire Pressure Monitoring System (TPMS)

Tire Pressure Monitoring System (TPMS) monitors tyre pressure in realtime, effectively displays tyre pressure condition and sounds alarm automatically in case of abnormal tyre pressure.

Electronic Parking Brake (EPB) with Autohold

Intelligent parking without traditional hand brake rod.

RACE TRACK-INSPIRED DESIGN

The design of interior frame, buttons and trim board extensively appropriate the arc shaped elements, creating an elegant look that's highly recognizable.

An Extensive and Exclusive Cabin

Covered with soft materials, the tactile cabin ensures a quality experience. A generous rear row space of up to 1,500mm. Odorless environment with VOC lower than national standard.

Dual-color Leather Wrapped Seating

Contrasting color combination bringing visual impact, with dual stitching design, intriguing sports style.

Multi-functional Leather Trimming Steering Wheel

Integrated with multiple function buttons, keeping your hands on the wheel safely.

HD Full-Color 8-inch LED Touch Screen

Smart Keyless entry and one-button start

The remote control smart key is able to recognize the driver within a certain scope. Together with the one-button start device, you can start/stop the vehicle by pressing the button lightly.

Automatic Climate Control

Automatically detect and adjust interior temperature, providing enjoyable climate anywhere anytime.

Beeswax Yellow

Ivory White
